

A pair of black-rimmed glasses is resting on a stack of books and papers. The glasses are the central focus, with their reflection visible on the pages below. The background is softly blurred, showing the edges of several books and papers, creating a sense of a study desk or library. The lighting is warm and focused on the glasses.

Viewing Courses

9. There should now be a course tile on your dashboard for the class.

The screenshot shows a user dashboard with a sidebar on the left and a main content area. The sidebar contains navigation links: Account, Admin, Dashboard, Courses, Calendar, Inbox, and Commons. The main content area is titled 'Dashboard' and features a section for 'Published Courses (3)'. Three course tiles are displayed:

- 2020/2021 Language Arts 11 Ter... LA11 T1**: Tile with a background image of books and sunflowers.
- 2020/2021 Language Arts 12 Ter... LA12 T1**: Tile with a background image of a bookshelf. This tile is circled in red.
- 2020/2021 Advisory Advisory 2020/2021 - Innovations Early College Hi...**: Tile with a background image of hands clasped together over a laptop.

Each tile includes a title, a link to the course page, and icons for folder and share functions.

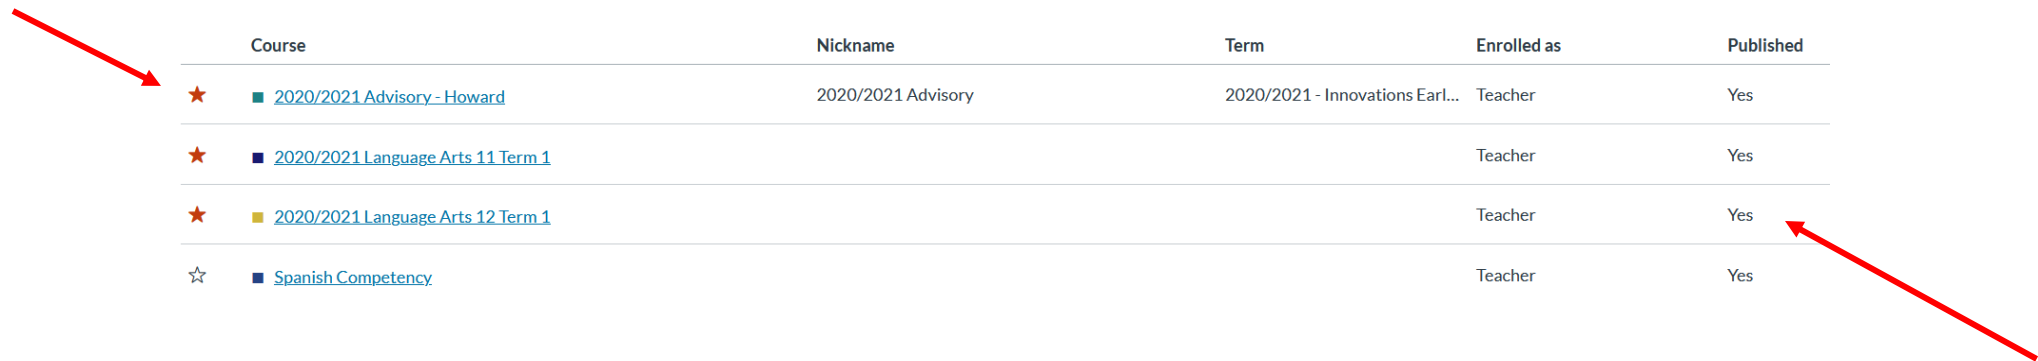

Favoriting Courses

10. If the course tile did not appear on your dashboard, you may have to favorite it. Go to the “Courses” menu in the left toolbar. Open it and scroll down to the “All Courses” link at the bottom.

The screenshot shows a user dashboard interface. On the left is a dark sidebar menu with icons and labels for 'Account', 'Admin', 'Dashboard', 'Courses', 'Calendar', 'Inbox', 'Commons', and 'Help'. The 'Courses' menu item is highlighted. To the right of the sidebar is a list of course links, including '2020/2021 CRLA 11 Term 4', '2020/2021 CRLA 12 Term 1', '2020/2021 CRLA 12 Term 2', '2020/2021 CRLA 12 Term 3', '2020/2021 CRLA 12 Term 4', '2020/2021 Diverse Literature Term 1', '2020/2021 Diverse Literature Term 2', '2020/2021 Diverse Literature Term 3', '2020/2021 Diverse Literature Term 4', '2020/2021 Language Arts 11 Term 2', '2020/2021 Language Arts 11 Term 3', '2020/2021 Language Arts 11 Term 4', '2020/2021 Language Arts 12 Term 2', '2020/2021 Language Arts 12 Term 3', and '2020/2021 Language Arts 12 Term 4'. Below this list is a link labeled 'All Courses', which is circled in red. At the bottom of the main content area, there is a welcome message: 'Welcome to your courses! To customize the list of courses, click on the "All Courses" link and star the courses to display.'

Favoriting Courses

11. Find your missing course and ensure that the star to the left of the name is selected. Only favorited courses will appear on your dashboard; however, you can access all courses through this menu at anytime.

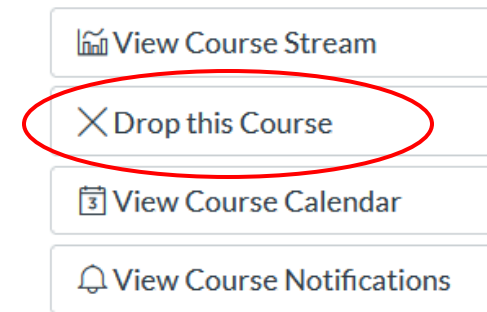

Course	Nickname	Term	Enrolled as	Published
★ ■ 2020/2021 Advisory - Howard	2020/2021 Advisory	2020/2021 - Innovations Earl...	Teacher	Yes
★ ■ 2020/2021 Language Arts 11 Term 1			Teacher	Yes
★ ■ 2020/2021 Language Arts 12 Term 1			Teacher	Yes
☆ ■ Spanish Competency			Teacher	Yes

12. If the course was already favorited, check to see if it is published. Only published courses appear on your dashboard. If it is not published, you will have to contact the teacher.

Dropping Courses

13. If you accidentally enrolled into a class and need it removed from your dashboard and course list, go into the course. In the top right corner of the homepage, there will be a “Drop this Course” button that you can select.

To Do

Nothing for now

Do not use this option to remove a successfully completed course. There is a different process for that. Talk with the teacher, and they will deactivate you from the course.
