

# Making A Mini Banjo

## You Will Need:

- Jumbo craft sticks (or lolly-pop stick) – one per banjo
- Loom Bands (or small elastic bands)– four per banjo
- Jar Lid
- Washi tape
- Duct tape (or normal tape)
- Sequins (or any décor items e.g. glitter, crayons etc)
- Craft glue

## Step 1:

- Place four loom bands over the lid and secure in place with a piece of duct tape.

## Step 2:

- Next cut the end from your jumbo craft stick and decorate it with a washi tape or any other decorations.

## Step 3:

- Now attach the lid with loom bands in place to the craft stick with a second piece of duct tape.
- Finally use small dabs of craft glue to stick on your sequins, or alternatively use plastic gems or a marker to draw the little tuning knobs on the end of your banjo handle.
