Math Anxiety is R-eal. Here's How to Help Your Child Avoid It NPR.org

1. Don't let your own math anxiety hold your kids back.

2. Talk about math when you are sharing everyday activities.

3. Play math - with board games, puzzles, card games and more.

4. Go Beyond right and wrong answers.

~Advice from Rosemarie Truglio, the senior vice president of curriculum and content at Sesame Workshop
