Mission Statement

Innovations Early College High School Mission Statement

•

Our school offers all students individual learning pathways designed to personalize their educational experience.

Our teachers serve as mentors to guide students in academic excellence, problem solving, and social skills required for success in college, career, and life.

(Draft)

Pam Pedersen

Principal of Innovations Early College High School –We have the best teachers!

Thrilled to be starting my third year at Innovations!

I've been in the district for over 20 years

I've worked at East HS, West HS and Northwest MS

I am available to meet with parents almost all of the time! Email me or Call for an appointment. I want to work with you to make the year excellent for all students.

Amanda Johnson

- Administrative Assistant, Attendance, Registrar, and GEAR UP Coordinator
