

# I need to stay home if...

I have a fever (100.4 or above) or chills.	I have a cough, unrelated to asthma or different than normal.	I have shortness of breath or difficulty breathing.	I have a sore throat.	I have muscle or body aches, not explained by exercise.	I have new congestion or runny nose.	I have vomited or been nauseous.	I have diarrhea.	I have new loss of taste or smell.	I have been exposed to anyone with COVID.
									

# I am ready to go to school when...

- At least 10 days has passed since the first symptom appeared, symptoms have improved, **and** there has been **no fever for at least 24 hours** without the use of fever reducing medication **OR**
- Students have a note from a healthcare professional containing another diagnosis **OR**
- **If there was no known exposure:** students may return if they have a negative COVID-19 test, symptoms have improved, **AND** there has been no fever for at least 24 hours without the use of fever reducing medication with a release from a medical provider or the health department.
