5th– B wing, via Mercury Loop

6th – A wing, via Jupiter Loop

6th – A wing, via Jupiter Loop

Multi grade families- any drop off point

Multi grade families – Older sibling will go to younger sibling

Parents are unable to walk their students into the building at this time.

-All students will be required to have specific colored tag or decal. Children will not be allowed to enter the car without the tags. Additionally, “walk ups” with these cards are not allowed, as this is a safety concern.

-No parking on loops, curbs, sidewalks, driveways, or unmarked parking spaces. Please only park in designated areas.

-Students should exit and enter on the passenger side of the vehicle.

-When picking up or dropping your students off, please stay in a single file car line. “Breaking” the line (going around cars) is not acceptable and could endanger children.
