

## Discovery School Explorer Fund

*The Explorer Fund is a tax-deductible, principal's discretionary fund used to provide many of the items, instruction, and experiences that set Discovery School apart as the very best place for its unique students to learn. Funding priorities are STEAM: science, technology, engineering, art, and math.*

**The Explorer Fund** needs your support. We are looking for corporate and personal sponsors for the 2020-2021 school year. Help us provide experiences that benefit every Explorer. The Explorer Fund provides the following items and many more:

- Science/STEAM Lab (furniture, supplies, coordinator's salary-April Greene)
- Field Trips: U.S. Space and Rocket Center, Jr. Achievement Biztown (on hold at this time)
- T-shirts for every student and staff member (will not purchase for 2020-2021 due to other needs)
- 3-D printer and accessories
- Virtual Reality System (would like to purchase another set=\$5,000)
- Instructional Support Software for Teachers
- Interactive panel boards (replacements), audio amplification systems (replacement needs), and document cameras for every classroom.
- Discovery Drones Classroom Set with Flight Simulators (replacement needs)

***Explorer Fund gifts (including completed sponsor forms and corporate logos) for 2020-2021 are due no later than October 2, 2020.***

**Explorer Fund Co-Chairs for more details:**

Abby Davis ([abby.lynn.davis@gmail.com](mailto:abby.lynn.davis@gmail.com))

Sean Salter ([spsalter@gmail.com](mailto:spsalter@gmail.com))

**This year, PTO and Explorer Fund are uniting to reach our goal of monies to build a track on campus for students and our community! Your donations (both personal and corporate) are needed for us to reach this goal! Please help us provide this for our students! We have wanted a track for over five years, so we are uniting to make all efforts go toward making this dream a reality!**

*Thank you for the support to our Discovery Explorers and the enrichment that this fund provides our students! Every amount helps us obtain the learning experiences that we hope to provide our Explorers!*
