OFFICE OF THE
VERNON TRAFFIC AUTHORITY

Date: July 12, 2007

Attendees: Vicki White, Charles Bettinger, Capt. Kenny, Jon Paul Roden, Chester Morgan
and Mason Thrall

Absent: George Fetko

The meeting was called to order at 7:00 p.m.

1. A motion was made by Bettinger, seconded by Roden, and the minutes of the June 14, 2007 Vernon Traffic Authority meeting were unanimously approved.
2. Request for new street sign for Eleanor Street Extension

Bruce Skivington, 3 Eleanor Street Ext., expressed his concerns to the members.

He requested a street sign to help identify the location of Eleanor Street Extension.

Capt. Kenny stated communication was made between himself and Town Engineer, Tim Timberman regarding proper signage for this street.

A discussion was held.

A motion to approve pending the Town Engineer's clarification of location was made by Morgan, seconded by White and unanimously approved.

3. Request for street closure Park Street and portion of Prospect Street during National night Out August 7, 2007

A brief discussion was held.

A motion to approve was made by Roden, seconded by Bettinger and unanimously approved.

4. Application for driveway permit, 23 Mountain Road

A motion to deny the application due to no contact with applicants was made by Morgan, seconded by White and unanimously approved.

5. Request for additional no parking area on Union Street by Mimi's Café

A gentleman that frequently visits the library spoke regarding his concerns about the parking in front of the library.

He stated the difficulty he has leaving the library because of the cars blocking the sight line as you exit to the left leaving the library.

He suggested removing one (1) no parking sign in front of Mimi's Café.

It was noted this is the first no parking spot (30 minute) in front of Mimi's Café.

Further, Jon Paul Roden suggested the hospital be notified to advise their employees to stop parking in the front of the hospital.

A motion to approve was made by Roden, seconded by Bettinger and unanimously approved.

6. Application review new office building, 64 Hartford Turnpike

Attorney Len Jacobs presented the plan to the board members.

The new office building will be approximately 8,800 square feet and used as medical offices.

A brief overview of traffic impact was also given by Dan O'Neill, Traffic Engineer.

Capt. Kenny questioned sight lighting and stop sign/stop bars. It was verified these would be installed.

A motion to approve was made by Morgan, seconded by Bettinger and unanimously approved.
