CONGRATULATIONS AND FAREWELL

Honored Guests,

It is with pride, joy, and love that we present the West Mesquite Class of 2021 for Commencement. These students have demonstrated their readiness to take on their next steps with resilience and tenacity, and we could not be more excited to see what the future holds for them.

The seniors of 2021 certainly did not get the senior year they deserved. The unprecedented situation in which we have found ourselves this last year has presented countless obstacles and challenges. As difficult as this year has been, our seniors have handled these circumstances with unbelievable strength and grace. We are so very proud of our Wranglers.

These students will always be a part of our West Mesquite family, and it has been our honor to be a part of their story. We hope they will always remember their time with us and will continue to nurture the friendships and connections they made here. Our graduates will always be welcome in their West Mesquite home.

Congratulations to the Class of 2021!

Sincerely,

A handwritten signature in dark blue ink that reads "Karen Morris".
