TIS Tiger News:

Dear TIS Community,

We are approaching the end of the 2020-2021 school year. We have many things to be thankful for during this past year. It has been a challenging year with many new obstacles to learning that we have all had to overcome. I am thankful to be part of the TIS community and am proud of what our students and teachers have been able to achieve this year despite the circumstances of the school year.

PSG Zoom Meeting: Wednesday the 26th @ 8:30 Meeting ID: 828 8252 7927 Passcode: 953039

We look forward to celebrating the end of this year and the many accomplishments of all of our students. I thank the TIS community for your continued support during this school year.

Kind regards, Jon Mudd; TIS Director

If you are a current TIS parent or staff member, you are welcome to join this group. It is a private group on Facebook.

Please note: Change of plans! All programs will be livestreamed, but on a platform other than Facebook. Parents of performers will be sent the link to join prior to the performance. In addition, we have a videographer capturing each performance to share with parents.

DEPARTING FAMILIES

We know that a number of families will be moving on to other locations or moving back to their home country. We thank you for allowing TIS to be part of your child's education - all of you will forever be a TIS Tiger. We wish each of you health and happiness in your next adventures.

If you are a family not returning to TIS for the upcoming school year and you would like to have school-records signed and stamped at the end of the school year, please contact Egla Lila at elgalila@tirana.qsi.org

She will prepare the necessary school records for your departure.

Dear Parents of TIS students for 2021-22

We have been so thrilled with the success of our Suzuki Violin program over the last three years. The students have surpassed our expectations with practice and commitment to musical excellence. As we look forward to next year, we are making plans and classes for next year and we are opening the season of enrollment for the violin program. Any child age 4yo- 12yo may enroll.

Next year, we are excited to announce that ALL 7yo children (current 6yo class) for the 2021-22 school year will be enrolled in violin class. This class will be led by our violin teacher Ms. Marjana and supported by our other music teachers. The goal is to expose all children to beginning violin and give them experience on this instrument. After the 7yo class, children may choose to continue violin or return to general vocal music. For these classes, the school will provide violins and materials.

- 1. If you are a current violin student, please **register to continue** for the program for next year. If you do not re-register, we will know you do not wish to continue in the program and your child will be automatically enrolled in vocal music with Mrs. Wheelis. Current 6yo classes do not need to register.
- 2. If you are currently a vocal music student with Mrs. Wheelis but would like to begin violin, please **register for** violin.
- 3. **If you are NEW to TIS for the fall of 2021** please read about the music options for your child attached. If you wish for your child to participate in the violin program please fill out the form as a NEW registration.

4. LINK TO REGISTRATION FORM

If you enroll your child for violin, you will need to provide your own violin in the appropriate size. Ms. Marjana will guide you in the process of purchasing. You can purchase in your home country or here in Albania. Again, please consult with Ms. Marjana before making a purchase.

Dear Preschool Families,

4

We hope that you are all well.

Another lovely week has passed and we only have FOUR more weeks to go! Something to look forward to is our end of the year show, which will be coming your way virtually the last week of school. The preschoolers have already started preparing for this and we think it will be rockin'!

We anticipate a great last month of school and wish you a fabulous week ahead.

Warm regards, Ms. Jennie and the Preschool Team

3YO Class Learning with the Tulips

This period has all been about socializing, exploring the nature and animals. The Tulips have enjoyed the outdoors as much as possible while learning a lot. We also had the pleasure of enjoying Mr. Alban's outdoor lessons. There was also time for indulging in individual reading amongst all the activities.

Elementary News #fromthedeskofMrWood

Dear Parents,

Wow, can you believe we only have four more Fridays remaining in the school year? Time continues to fly by, and great things continue happening here at TIS.

This week I had the pleasure of being invited to the 5yo Reader's Theater presentations. Goldilocks, farmers, bear siblings, billy goats, a big bad wolf, and a pig family were some of the interesting characters in the presentations. Students read with expression, followed along on their scripts so they knew when it was their turn to read, and some even changed their voice to enhance the dramatic effect. Cute head piece designs were created for each character along with student-created backdrops. It was wonderful to be able to see how far these students have come in their confidence and ability to read aloud. They were very prepared, and it was clear they had put a lot of time and effort in. A good time was had by all. Way to go, 5yo students and teachers!

MAP testing in elementary is complete. Results will be shared at the end of the school year along with narratives and status reports.

If you are returning to TIS next year, please take a few minutes to complete the important foreign language preference survey that was originally included in last week's newsletter. It is also included in the newsletter this week. I have received nearly 50 already – thank you so much!

Have a great sunny weekend! Sincerely,

Mike Wood; Mike-wood@tirana.qsi.org

2021-22 Foreign Language Preference Form

We are requesting that parents of current 4yo through 10yo students complete this form.

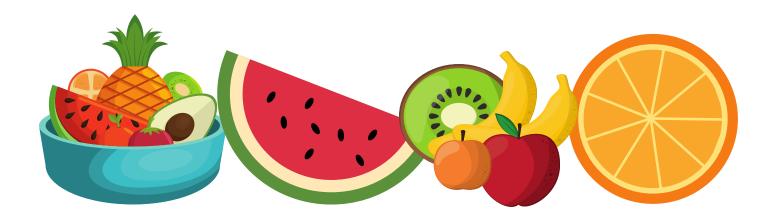

French ... in the Elementary

In Elementary French the 9-year-old class had a delicious unit. They talked about food, fruits, vegetables, their likes and dislikes and about how to shop for food. The student also practiced how to use polite expressions while shopping, how to order and pay. They invented and performed in small groups a theatrical sketch on the theme "At the grocery store".

We Love Writing! Busy Bees!

Morning IE News- We Love Writing!

Morning Intensive English kids have been busy writing stories every day. First, we read a Little Critter story and then students write about their own experiences.

It is AMAZING to see how much their writings have improved! Great job, Little Critters!

Literacy Support Busy Bees!

The literacy support class is a busy time where students are finishing work from homeroom, listening to books in Epic, practicing phonics and spelling in Word Works magazines, and reading out loud in small groups.

5YO Class Drama, drama, drama!

The 5s are currently in their "fun" Literacy unit - Drama! We have spent the past few weeks practicing a couple different plays and preparing props. On Friday, the students will present their plays; the teachers will record them and post them on Seesaw for parents to see.

The 5-year old Orange class are presenting "The 3 Little Pigs" and "Golidlocks and the Three Bears." They are learning to read clearly and with expression. They have to listen to each other read so they know when it's their turn. It's a lot of work but also a lot of fun!

MS/Secondary News #fromthedeskofMrTempel

Greetings Middle School Students and Families,

As the weeks keep coming and going, here are some important timeframes to think about:

- 3 weeks until Graduation, then...
- 1 week until the last day of school! That means we only have 20 school days left!
- AP Exams continue through May 24
- Graduation Friday, June 11

MAP is Complete!

Middles School and Secondary I students have now completed the Spring MAP test. They tested in Math, Reading, and Language Usage. Teachers will be able to use this data to understand where students are strong and where they need extra support. We are able to test students twice a year, once at the beginning and then close to the end. This also tells us about their progress. MAP test scores will come out with status reports at the end of the year.

Blended Learning Intention Form

In addition, a reminder to everyone that parents who fill out the blended learning form each week for their students who plan to stay home are eligible to attend classes online and will be counted "present" for attendance. Below is the form for you to fill out. Only parents who have students learning from home need to fill out the form.

French ... in the Secondary

Our focus in Secondary French III turned from travel to health, and in the last unit, students learned how the French take care of their health, why the French drink mineral water, and how the French help provide health care to the less fortunate people around the world. The students learned about non-profit organizations in France. Many world-renowned foundations and charitable organizations are based in France or have offices there. They selected an organization and learned how it operates, how it raises funds, what the funds are used for, and what activities the organization sponsors.

Middle School Art Compositions

In art class, the 11-year-old students have explored six types of composition structures used in great paintings for centuries. These basic art composition elements are the building blocks of the art process that allows young artists to learn how to apply composition rules intuitively or deliberately.

They have mixed art elements and medium to create a dynamic composition and master various techniques. The final process and product are beautiful and rewarding.

12YO Class Literature Circles

In the 12-year-old Literacy class, students are currently reading and analyzing novels of their choice in literature circles. Students are spending their time in class reading their novels, preparing their ideas and questions for their discussions, conducting their literature circles, and reflecting on how their discussion went and what new ideas they encountered by talking about their book. Overall, students have enjoyed lively book conversations throughout this unit that include reactions to what they are reading, themes they see emerging in their novels, symbols, character analysis and more!

Getting to know read alouds Notes from the Library

Do you read aloud to your children? Is there ever a time when they are too old to be read to?

What makes a good read-aloud?

Select stories with:

- an interesting plot
- · dialogue
- some suspense or adventure
- suitable emotional content for the age and
- background of the students.

Picture books and fiction are popular readalouds. But also include in your selection material such as:

- biographies or autobiographies
- non-fiction
- · poetry
- · newspaper and magazine articles.

Resources on reading aloud:

Reading Aloud: Tips for Parents and Teachers (literacyconnections.com)literacy connections website a

wide range of articles and links about reading aloud.

Reading is fundamental: Reading Aloud – articles and resources on reading.

We have an obligation to read aloud to our children. To read them things they enjoy. To read to them stories we are already tired of. To do the voices, to make it interesting, and not to stop reading to them just because they learn to read to themselves. — Neil Gaiman

Mem Fox's Ten-read-aloud-commandments - Mem Fox, a passionate advocate of reading aloud, demonstrates on her site how to read aloud and provides a wealth of articles and resources.

Recommended Books (readaloudamerica.org) - offers resources and up-to-date booklists for toddlers to adults.
