

PRESENTED BY OSUWMC MENTAL HEALTH
SPECIALISTS IN COLLABORATION WITH
OLENTANGY SCHOOLS

PARENT VIRTUAL LUNCH AND LEARN: RETURN TO IN PERSON LEARNING – SUPPORTING YOUR CDL STUDENT

Join us virtually during your lunch hour on June 8 and Aug 3 for a two part series from 12-1p. Attend one or both sessions to learn how to set your student up for a successful transition at the beginning of summer and right before school starts. Learn how to prepare and support your student transitioning to in-person learning and connect with other parents of high school students who have been enrolled in CDL programming. This group will complement the student group for CDL transition. Registration is not required.
