Notice of the meeting shall be posted at the meeting at the schoolsite, or other appropriate place accessible to the public, at least 72 hours before the time set for the meeting. The notice shall specify the date, time, and location of the meeting and contain an agenda describing each item of business to be discussed or acted upon (*EC* Section 35147[c][1]).

The SSC may not take any action on any item of business unless that item appeared on the posted agenda or unless the SSC members present, by unanimous vote, find that there is a need to take immediate action and that the need for action came to the

attention of the SSC subsequent to the posting of the agenda (*EC* Section 35147[c][1]).

Questions or brief statements made at a meeting by members of the SSC or public that do not have a significant effect on pupils or employees in the school or school district, or that can be resolved solely by the provision of information, need not be described on an agenda as items of business. If a SSC violates the procedural meeting requirements of this section, upon demand of any person, the SSC shall reconsider the item at its next meeting, after allowing for public input on the item (*EC* Section 35147[c][2]).

Any materials provided to a SSC shall be made available to any member of the public who requests the materials pursuant to the California Public Records Act (*EC* Section 35147[d]).

The only exceptions are if any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
