St. George's Episcopal School is a coeducational, independent school serving approximately 375 students from age one through eighth grade and employing approximately 100 faculty and staff. Here, each child grows academically, creatively, emotionally and spiritually while developing a sense of self-worth and moral responsibility. This is a family-like atmosphere of care and concern with a highly trained and dedicated faculty. Educational excellence at St. George's begins with the simple premise that each child is unique—that is, each child's strengths are worth cultivating and celebrating, and each child's challenges are worth identifying and embracing, for only then will grit and perseverance accompany growth and development. This is why our graduates develop into lifelong learners and consequently find acceptance and success in the finest high schools in New Orleans. This is also why our parents, grandparents, alumni, friends and students have an enduring love for the school.
