Part IV: Diagnostic Assessments

Diagnostic assessment is a particular type of formative assessment intended to help educators identify students’ specific knowledge, skills, and understanding in order to build on each student’s strengths and specific needs. Because of their domain specificity and design, diagnostic assessments can guide curriculum planning in more specific ways than most summative assessments.

5. Please select the **academic** diagnostic assessments predominantly used in each grade level in your LEA to monitor, assess, and target supports for student learning. The list below is not exhaustive and contains places to include diagnostics not listed.

8. In what ways did your LEA include the following voices in the development of this plan? *(Student, Family, and Community Organizations)*

- Interviews
- Conferences (in-person and/or virtual)
- Advisory Groups
- Surveys

Part VI: Strategic Supports for Students

9. Based on your LEA's review of equity analysis and student diagnostic assessment results, what student groups need additional time, support, and/or extracurricular activities for academic growth and/or for student well-being? (Select all that apply)

- American Indian/Alaskan Native
- Asian
- Black/African American
- Hispanic/Latino of any race(s)
- Native Hawaiian/Other Pacific Islander
- Two or More Races
- White
- English language learners
- Low-income
- Students with disabilities
- Students experiencing homelessness
- Students in foster care

Part VII: Strategic Supports for Identified Student Groups

This section gathers details regarding the strategic supports provided to student groups, not universal supports provided under Part III of this survey.

10. Please select the specific strategies/interventions implemented to support student groups identified in your LEA’s review of the equity analysis and student diagnostic assessment results. (Select all that apply)

Part VII: Monitoring Student Progress

13. Describe how your LEA will consistently apply the selected equity analysis and diagnostic assessments to evaluate and monitor student progress and effectiveness of the strategies/interventions implemented to address gaps in student learning and well-being.

For example:

“Our district uses an equity analysis process every three months to monitor progress, adjust strategies and identify student learning gaps.”

Highline has hired a project manager specifically focused on equity, with a goal of aligning our various equity initiative. Regular School Board/Cabinet retreats focused on disaggregated data. Regular review and updates to our Equity Policy and Procedures (Policy & Procedure 0010).

Part VIII: Supports for Strategies/Interventions

14. Of the strategies/interventions your LEA has implemented or is planning to implement, identify **up to three** in which your LEA has the knowledge, skills, and capacity to mentor another LEA.
15. Of the strategies/interventions your LEA has implemented or is planning to implement, please identify **up to three** strategies for which your LEA needs more support. What can we learn from other districts about authentically targeting student groups, especially racial groups, in a diverse district such as ours?

Learning from other districts about specific academic interventions and supports they are providing for students who are in foster care or who qualify for McKinney-Vento status.
