Y9 – Y13 Virtual Work Experience

Many pupils are now starting to look for work experience placements. Most are online and there are some amazing opportunities. As well as contacting employers directly,

placements can be found on websites like Springpod <https://www.springpod.co.uk/virtual-work-experience-programmes>

Unifrog have also added over 150 virtual work experience placements (free and paid) to the Special Opportunities tool on the Student homepage. To find all the virtual WEX opportunities, select 'Online/Worldwide':

Select up to 10 subject areas you are interested in and click through to the longlist. From here, you can create a shortlist of up to 10 opportunities. Your shortlist gives you information about what to expect from the placement and how to apply for it.

Y8 – Y13 InvestIN Summer Internships

InvestIn are once again running their **in-person Summer Internships** as well as being available online. They are available in 20 of our most competitive industries, e.g. Architecture, Banking, Veterinary Medicine. For the first time, they have also launched opportunities for students aged 12-14 in [Law](#), [Engineering](#), [Computer Science](#) and [Medicine](#)!

All Internships include:

- Experiential site visits to industry hotspots, such as Airbus, the House of Commons and the Supreme Court.
- Networking opportunities with leading industry experts in their field.
- In-depth, personalised career coaching with top professionals.
- The option of University of London accommodation, with all meals and 24 hour guardianship provided.

There is a charge for all of these experiences but you can get a discount by using the code KINGSMAC2019
