1. Welcome - Sara Westover
2. SIC update - Deana Luckett-
   a. Online teachers want students to do PE - they can come in person and do PE at beginning or end of the day. It will happen outside.
   b. Art - Ms. Shea is shared with Washington Elementary, she will come mid-year in January next year. Teachers will need to do art projects in the beginning of the 2021-2022 school year. Ms. Shea can be a resource and support to the teachers. Starting in January 2022 she will work on 4-5 projects for each grade level. Because of this, we may need to move back art night. Art night for this year is being looked at by a committee of teachers.
   c. Drama - do drama at the beginning of the 2021-2022 school year.
   d. Extra day is June 7th because of the wind storm in the fall. Teachers will be there June 8-10. These will be professional development days with instruction in ELD (English language development) and math. This will also allow for preparation and collaboration.
   e. 6th grade clap out scheduled for Friday, June 4. The students will leave their usual doors and parents can be in the front to pick up their students. Yearbooks will also be passed out this day. Teachers will be in charge of this and will inform parents, will have online participate if they would like.
   f. Faculty meeting - Dan Tracy from neuro-research presented on ST Math and their updates. Planning on keeping ST Math for K-3 and Zearn for 4-6.
   g. Paras and parent in front of school to greet kids and help with flow of traffic.
   h. Principal 200 club - Friday before break they participated in a kickball game. The lower grades had an artificial snowball fight. Sent gift cards to remote learners. This is a program to promote and reward positive behaviors. Teachers/adults select students and they names are drawn.
   i. The great shake out, April 15 at 10:15.
   j. Announcement and pledge will start at 8:55 with a brief announcement and Pledge of Allegiance led by 6th graders.
   k. End of year testing - needs to be done in computer lab and with district computers. Students online will need to come in to participate with testing. Barriers will be used and students will be spaced out and the lab will be wiped down for the next class. Lower grades will start the end of April, upper grades beginning of May through the end of the year.
   l. Summer school - June 14- July 16- Uintah, Bonneville and Dilworth and BH will be together at Uintah, for those who are interested. It will be from 8:30-4:00. The morning will focus on academics and the afternoon will have elective classes/field trips.
m. After school option- (after care about 6 students). With “Cares funds” will be offering additionally tutoring. Will be available next fall as well. Available for all interested students.

n. 2021-2022 district will be 5 days a week and Friday will be half day. There will be an elementary online option for those interested.

3. Pta update- Greta Griffiths – Voting at the end of the month for next year’s officers. PTA is discussing some kind of art night, the year book is printing- kind of more like a journal, 6th grader are receiving t-shirt for signing, etc.
Field day- PTA maybe providing popsicles and music like in the past, planned by teachers, cannot have volunteers- There is discussion when it will be held.

Plan- 5th an 6th grade using prevention dimensions and another curriculum required for 6th grades- BOTVIN life skills training. Counselors have the training and now look at 4th and 5th grade received the training, will include the 6th graders. Power points are on 5th and 6th grade canvas. Focus on the mindfulness piece as well. Laurie Shea and Wendy are putting together a kindness rock garden. School wide effort- all the students are receiving lessons on assertiveness and problem solving. Develop resources for parents and teachers. Is open to any other topics, especially for 6th grade. Lessons are meaningful and age appropriate.

4. Principal update- Tim Miller
   a. Staffing 2021-2022
      i. Half time ELD teacher position has been eliminated and that role will be moved into regular teaching staff to reduce class sizes. It will be done in every class. ELD will be whole and small groups, done throughout the district. Strategies are helpful for all learners. Will need a position for 5th grade, for Ms. Woodland, who is retiring. That position will be opened up to the district employees first. Megan Carlisle will move to 5th grade, there will only be two, fourth grades.
      b. Vice Principal- roles and responsibilities- Felicia Wood- administrator over CBTU, she attends staff meeting weekly with them. Helps with observations, is the 504 coordinator, etc. two-days a week she is at BH and the other two at Dilworth. Ms. Wood is new to SLSCD this year. She was an assistant principal before and has social work background.
      c. Traffic follow up- looking for a parent to help with traffic on Fridays. Meeting with Cosgriff. David Jones pulled up aerial view of BH boundary. So many schools in the area with a lack of school signage. Trouble spots continue to be: 2100 south, 2500 east, Wyoming and Redondo.
d. Vote on trust land plans and keeping money to para educators for all grade levels for reading. Kirsten motion, Kelly second, and all approve.
