## **Reminders:**

### **Elmhurst Police Conduct Traffic Enforcement Period - Through Memorial Day Weekend**

Extra officers will be on duty from now through the Memorial Day weekend. According to Elmhurst Police Department, the majority of this extra enforcement will take place during the overnight hours, statistically the most dangerous time to be out on the roads. Motorists are encouraged to drive safely and always buckle up. Anyone planning on drinking should make alternate travel arrangements or appoint a designated driver. Motorists are also encouraged to contact police if they see a vehicle that appears to be driven by an intoxicated driver.

### **City of Elmhurst Water Main Project Underway - Delays Expected**

Contractors for the City of Elmhurst are installing the new water main at West Avenue and working towards Berkley Avenue (south of Elm Park). The project began this week.

However, the City of Elmhurst has stated that it will not start work east of Berkley Avenue (south of Elm Park) before May 24. After May 24, work will continue to the east. Plans are to complete all work, including pavement restoration and striping, by August 6, in advance of the opening of the 2021-22 school year.

Traffic and bus delays are expected and will primarily impact York High School and middle school routes at dismissal times. Other routes that may be specifically impacted are:

- Conrad Fischer Elementary - Bus 7
- Madison Early Childhood Education Center - Flamingo Bus

- Sandburg Middle School Busses 1 (Yellow) and 6 (Green)

Parents will be notified as delays occur. Thank you in advance for your patience.
