Headteacher: Ms Helen Bridge BA MA

Dear Parents/ Carers

As we approach half term we are in the final stages of Centre Assessed Grades. The Year 11 students have been fantastic in their approach to these assessments and should be congratulated on their resilience and application in such difficult times.

From 7th June, we will expect all Year 11 students to be working virtually from home depending on their next destinations. There will be tasks and bridging work set depending upon choices made for post 16 education. All work will be set on Microsoft Teams – this should be the first place that students check. Please see the table below for an overview of planned work from the 7th June.

| If your next destination is: | What continued learning? | Where will I find this? |
|--------------------------------|---|---|
| Kineton High School Sixth Form | Sixth Form Induction Day 7 th June: Bridging work will be set for each subject Deadline for completion: 5 th July 2021 | Hard copy work will be given to students on the day, in addition to being assigned in induction groups on Microsoft Teams and posted on the school website. |
| Another Sixth Form or College | All post 16 providers are required to support Y11 with transition process and bridging work | Contact the provider directly (if they have not been in touch) or check the websites. Additional GCSE work available (see below) |
| An apprenticeship | You will be attending college in addition to work so should contact your employer/ college to see what bridging work you can undertake | Contact the provider directly (if they have not been in touch) or check the websites. Additional GCSE work available (see below) |
| In General: | | |
| Each GCSE subject | Each subject area has set a task/set of activities aimed at supporting parts of the course that may not have been covered in as much depth due to closures. | To be set on Microsoft Teams week beginning 7 th June. Additional overview and guidance to be posted on the school website. |

Individual students may be asked to come into school for further assessment sessions if we feel that person has missed an opportunity to complete an assessment. We will continue to work with students to ensure next destinations are secure and support with this process.

To mark this Friday 28th May will be a special day for Y11 and we will mark it by allowing students to come to school in 'smart casual' wear (Sixth Form dress code). Students will follow a personal development programme for the morning; be treated to a BBQ served by Heads of House and senior staff and a final celebratory assembly, led by the students. Students should bring in a separate school shirt if they would like messages written on them – hopefully, they will not use their smart shirts!

The 'final day' and Prom are both occasions we are really pleased to be able to put on to celebrate the end of not only a difficult time for everyone but to celebrate this very special group of young people and their achievements during their time here at Kineton.

Yours sincerely

A handwritten signature in black ink that reads "Adam Mitchell". The signature is written in a cursive style with a large initial 'A' and a long, sweeping tail.
