General Topics			
3	21-22 Bell Schedule		<u>Bus driver shortage</u> Shortage of bus drivers = big concern. Boulder High will use RTD buses. Mohi is 1 mile away from closest bus stop. Redtail development will bring more bus routes. Campus Dr. to be extended to 95th St. Right now, we would need to advocate directly with RTD to get buses to go from Louisville / Superior to hospital, Mohi, etc. Maybe there could be a bus to run with a limited time (ie, ams and pms). Would be interesting for someone from SAC to reach out to RTD during the summer. <u>Equal School Day Concept / Bell schedule</u> Mohi will be moving to a more open campus - all other high schools on 8 period day. Goal: to align schedules to support families with kids at different schools.

			<p>Students will be able to take max 7 classes. Sophomores & freshmen must take 6 of 8, jrs and srs must take 5 of 8. Since not many businesses within walking distance, Neil anticipates most kids will stay on campus.</p> <p>MoHi Monday will include pep rallies, class meetings, etc. Incorporated parent & student feedback.</p>
4	SAC Positions for 21-22 SY		<p>Trish - may be interested in DAC. Carolyn will do DPC.</p> <p>DAC - Amy reach out to Trish and Sandy. (done)</p> <p>Chris & Amy to remain as chair & co-chair.</p> <p>Neil would like to know by May 31.</p>
5	DAC Survey	Follow-up on SAC responses to BVSD survey	Neither Neil nor Janine has received feedback yet.
DPC & DAC Reports			
6	DPC Update		<p>Paige: DPC met mid-April. 3 topics: COVID, SRO, Equal School Day.</p> <p>COVID: fielded parent questions. Will vaccinations be required for staff & students? Not currently. Daily health ? in fall? Uncertain.</p> <p>What will protocols be: in flux.</p> <p>Not a lot of consensus thus far on masks.</p> <p>SRO: lots of action items for BVSD: review of discipline data, recs on documentation, develop discipline matrix, focus on restorative interventions vs punitive. Training on implicit bias. 2 reps from each school on student conduct/data review. RISE program: Resilience in Schools & Educators. How is safety defined: kids come home the same way the left, physically and emotionally.</p> <p>Equal School Day: parent feedback impacted budgeting for supervision on late-start days. Prof'l dev days switched from Th to Mo.</p>
7	DAC Update	Do we have responses to the survey that was completed several months ago?	Janine: 5/4 mtg: wrap-up of the year. Addressed strategic plan, sustainability, need for more bus drivers. 67% in Boulder County have 1st vaccination. SRO issue.

			August 30 - 1st SAC mtg will be on Back to School Night to facilitate engagement from other parents.
