## YOUR CHILD IS IMPORTANT TO US

Next Wednesday, on April 10th from 5:30-6:30 pm, we will be hosting a NetSmartz parent presentation at SLCSE. Josie will be talking about ways to protect your child online, no matter how they access the internet. It will also be a great space for you to ask questions or raise your concerns along with other parents in our community. If you have questions or concerns, please don't hesitate to drop by, call, text, or email.

## NATIONAL HISTORY DAY

On Thursday, March 21, twenty students from SLCSE joined students from Glendale Middle School at the Salt Lake Regional for National History Day. Students presented their history projects to judges. After interviews, we took a break together at the Leonardo Museum. We are so proud of all of our students for practicing their skills as passionate historians. Four students advanced to the state competition in April: Nathan Flores, Molly Chien, Luqman Abdi, and Trinity Larsen.

*Mr Waddoups and his wife teaching about working as a flight attendant at Career Day!*

## HEATHER BENNETT

It is with great sadness that we mourn the loss of Heather Bennett, school board member and dear friend to the SLCSE community. Heather supported the inception of our school and offered many years of wise counsel as we built our program, we will be forever grateful for the positive impact she has made at SLCSE. The family has set up a scholarship fund in her name, the recipients will be young women graduating from SLCSE. Donations should be made to Nonprofit Fiscal Services, 177 East 900 South, Suite 202, SLC, UT 84111, and earmarked with Heather's name.

## CONGRATULATIONS DIANE CRIM!

SLCSE's Diane Crim has been awarded a Governor's Medal in recognition of the significant impact she has had on math education in the state. The award is the highest civilian award bestowed by the state to residents who have provided distinguished service or made significant contributions to Utah in scientific and technological fields. Please help us by congratulating her

## INTERVIEWERS NEEDED

The Salt Lake Center for Science Education is in need of volunteers for Wednesday, April 17th from 12:15 P.M. to 1:45 P.M. for Ms. Haakenson's Financial Literacy class, the students are learning how to apply for jobs. Part of that process is to be interviewed. We are in need of 5 to 6 adult volunteers who could come provide a mock interview experience for a few students. Those who are available and interested, please email Ms. Haakenson at [Kelly.haakenson@slcschools.org](mailto:Kelly.haakenson@slcschools.org).

## OPPORTUNITIES FOR STUDENTS FINISHING 10<sup>TH</sup> AND 11<sup>TH</sup> GRADE

Utah Business Week is a week-long summer program that gives high school students (incoming juniors and seniors) real life business experience. Students learn business tactics from top industry professionals while participating in a business simulation. Students create marketing materials, research and develop ideas, make decisions on pricing, and so much more. The week is hosted at Utah State University from July 28 – August 3, students stay in dorms and participate in a variety of fun activities on campus. The cost is \$100. Apply here <http://www.utahbusinessweek.org/>
