SLCSE MOUNTAIN BIKE TEAM

Do you like being outside? Enjoy adventure and challenge? Like having fun?

- Any interested student in grades 6-12 can participate!
- No racing experience required
- No mountain biking experience needed
- You don't even need to own a mountain bike!

SLCSE has loaner bikes available and discounts on bikes and equipment are also available.

The SLCSE mountain biking team offers an opportunity to get better at mountain biking with a fun group of SLCSE students and volunteer coaches. The team will hold group training rides over the summer. The race season begins in August and runs through October.

We'll have some fun team activities, skills workshops and trail rides in May, so give mountain biking a try!
