SUNDANCE FILM FESTIVAL

Thanks to the SLCSE Humanities department, the Sundance Institute and the George S. And Dolores Doré Eccles Foundation, approximately 225 students were given the opportunity to experience a movie at the Film Festival this week.

FIRST FRIDAYS

Please join us on the first Friday of every month for coffee and a breakfast treat in the CASA right before school. It is a wonderful opportunity to meet other parents, talk to teachers, counselors and administrators.

INTENT TO REENROLL

Parents and Guardians, please be on the lookout for an Intent to Reenroll letter. To accommodate new student applications, we need to obtain an accurate count on the number of students returning to SLCSE for 2019-2020 academic year. The merger with Bryant is proceeding and we are planning on enrolling a fourth class of 9th graders next year. Please spread the word to potential 9th graders because applications close February 16. We would also like to remind you that **current** 6th and 7th graders will remain at the SLCSE campus. We will not be enrolling 6th graders next year and we will phase out the middle school at the SLCSE campus over the next two years.

POETRY OUT LOUD

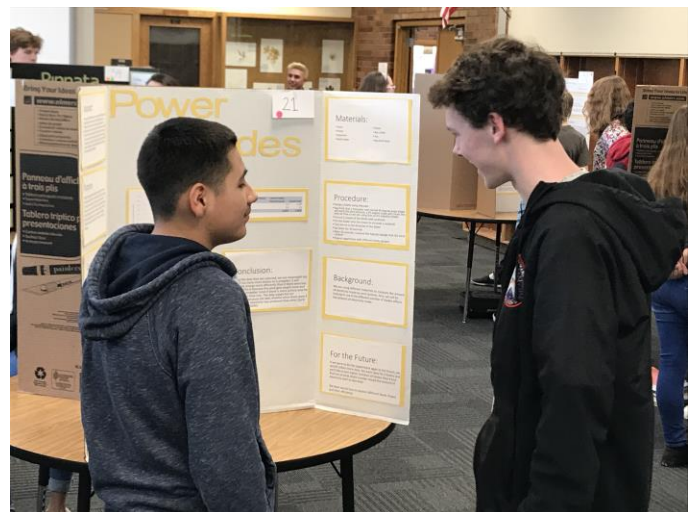

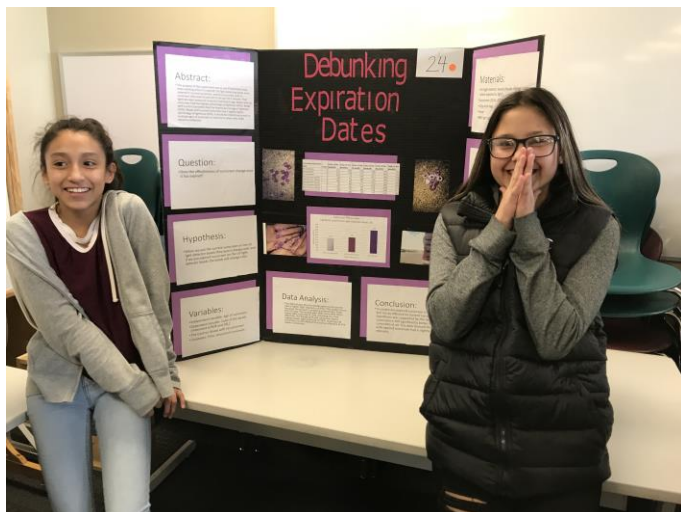

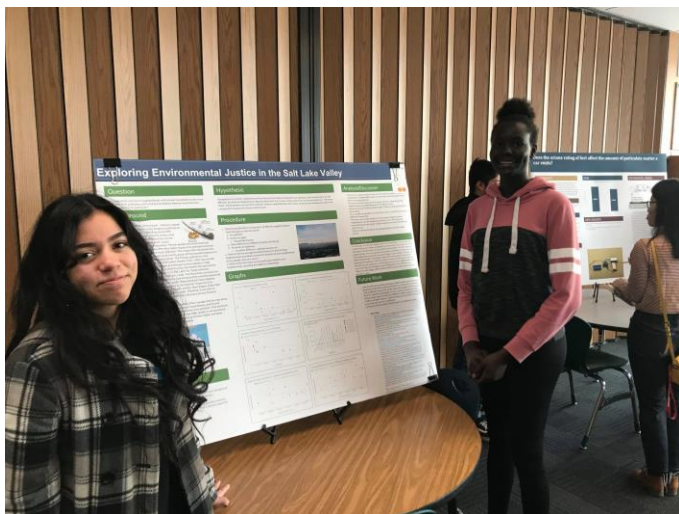

Poetry Out Loud is a National Recitation competition. Not only does this event encourage students to learn about great poetry through memorization and recitation, it also helps students master public speaking skills and build self-confidence.

Winners of the classroom competitions in grades 8 through 12 will be performing at our annual Poetry out Loud event at SLCSE on Wednesday February 13 starting at 3:45.

SOCIAL ACTION ASSOCIATION (S.A.A.)

SAA spent an evening over at Newman Elementary running science activities for the community. Families were able to build rollercoasters of their own design, identify mystery powders based on physical and chemical properties, construct spaghetti towers and play with bouncy CO₂ bubbles. SAA has been a constant at SLCSE for the past 9 years thanks to the dedication and commitment of Mrs. Powell and SLCSE students. With Mrs. Powell's new administrative responsibilities we are in search of a new adult mentor and source of funding. Until that time, SAA will be taking a break. We are hopeful that we will be able to provide students with opportunities for service in the future.
