POETRY OUT LOUD

The highlight of February is always our Poetry Out Loud competition. This year's winner is Senior Andre Montoya. In second and third respectively were Olivia Slaughter and Said Rivas-Villanueva.

Andre will be reciting three poems at Regional Poetry Out Loud Competition this coming Wednesday, February 27th at the Marmalade Branch of the City Library at 7pm.

WEEKEND FUN

Utah Film Center's 8th annual Tumbleweeds Film Festival for Children and Youth takes place March 1-3, 2019 at Library Square in downtown Salt Lake City, presented in partnership with The City Library and The Leonardo. Tumbleweeds features films from around the world and provides culturally-enriching, curated film, and media arts workshops for younger audiences.

SCHOOL CLIMATE

Salt Lake City School District is administering school climate surveys for our school. The purpose is to gather stakeholder input about teachers, principals, and schools. All parents/ guardians and students

will be invited to participate. Responses are anonymous and no personal information will be collected. Results will be shared with teachers and administrators in order to help improve schools. The survey is short, taking less than 10 minutes to complete. The survey can be taken through the Parent Portal of PowerSchool by clicking the "Parent Course Survey" link at the bottom left hand side of screen after you login. The survey can also be taken on any internet connected device. The survey is available in English, Spanish, Somali, Tongan, and Bosnian.

You can access the PowerSchool Parent Portal by clicking here:
