OPEN ENROLLMENT

It's already time to start thinking about next academic year! As you know we are phasing out our middle school program at the SLCSE-Rose Park campus in order to expand our high school and support our middle school program at the Bryant campus. Next year we will only house 8th grade through 12th grade on this campus, we do not anticipate having any openings for 8th grade but feel free to call or visit the office if you have questions.

Any student who resides in Bryant boundaries may attend SLCSE Middle School (grades 7 and 8) located at the Bryant campus (40 S 800 E Salt Lake City). You can register your student in August 2020.

Students who wish to attend SLCSE Middle School (grades 7 and 8) and reside outside of Bryant boundaries may submit a [Standard Open-Enrollment Application](#) during the early enrollment period (December 1 through February 21) for the upcoming school year.

Students who wish to attend SLCSE High School located at 1400 W Goodwin Avenue, Salt Lake City should complete the application form before February 21 2020 to be considered for acceptance for 2020-21 school year. If the number of applicants exceeds the number of available slots, students will be selected through a lottery process in March 2020. Application forms can be found online at

www.slcese.org or stop by either the SLCSE or Bryant office and fill out a paper application.

Thank you to all who donated food to our annual food drive. The grade that collected the most food was 8th grade, this is the third year in a row that this group of students have stepped up and dominated the food drive!

MATH CLASS

Ninth grade students figuring out math problems by doing! Nothing reflects the SLCSE student experience more than this!

CLASSROOM EMERGENCY KITS

Student safety is a top priority at SLCSE. To help promote safety, items are being collected to create classroom emergency preparedness kits. In the current climate, being prepared for emergencies is very important, so my Eagle Scout project is to collect these items. A flyer with the needed supplies for a classroom emergency kits is in the office and the donation box is right outside the office. Additionally, your student should be receiving a gallon Ziploc bag with a flyer inside with instructions to assemble a personal emergency kit for their locker. Please use this opportunity to allow your child to be personally prepared and to help prepare the SLCSE community.

If you have any questions or need clarification, please email: luke_starr@hotmail.com
Luke Starr (9th Grade SLCSE Student)

WASHINGTON DC FUNDRAISER

Where: Chipotle 1011 E 2100 S

When: Wednesday December 11 5-9pm

How: Just mention SLCSE and 33% proceeds will be donated

Why: 11th graders need help paying for their awesome Washington DC trip

JUNIORS & SENIORS

- **Yale University** is visiting SLCSE on December 17. Sign up with Rachel if you are interested in learning more
- **January 10** deadline to register for February 8 ACT test
- The **ACT Question of the Day** is available online through a free, online ACT account and allows you to view questions, answers, and explanations in a weekly email sent to you automatically.

SENIOR CLASS

THE GIVING TREE

The Giving Tree is our school program to help children, teens, and their families receive clothing, shoes, outerwear, household items and fun items during the holiday season. This year we are supporting students and families from the Bryant & SLCSE Community. We display ornaments on a tree in the main entrance of the school starting at the end of November. Each ornament represents one requested item.

You can already financially help the Giving Tree by donating gift cards to Smiths, Walmart, Target, or Old Navy. You can turn in gift cards to the main office starting now.

Please contact Ashley Paulsen-Cook at ashley.paulsen@slcschools.org or 801-578-8226 if you have questions.

During this season of joy and giving, help brighten the spirits of families financially struggling through SLCSE's Giving Tree Program. Thank you!
