## AFTER SCHOOL DEBATE CLASS

Students are meeting after school to prepare for the Mock Trial competition with Ms. Hobush. The Utah Mock Trial competition was established in 1980 to teach students their rights and responsibilities as citizens. Each year, volunteer attorneys write or adapt a legal case involving issues of interest to youth. A handbook containing established facts, signed affidavits, and other legal information regarding the case, along with the rules and information related to the tournament, is provided for all participants. Team members play roles of witnesses, attorneys, clerks, and bailiffs in courtrooms throughout the state

## CLASSROOM EMERGENCY KITS

Student safety is a top priority at SLCSE. To help promote safety, items are being collected to create classroom emergency preparedness kits. In the current climate, being prepared for emergencies is very important, so my Eagle Scout project is to collect these items.

This month we are collecting Costco cases of water bottles.

Please email Mr. Eaton at [cavett.eaton@slcschools.org](mailto:cavett.eaton@slcschools.org) for this once in a lifetime experience!

## HISTORY FAIR AT BRYANT

**NHD**  
NATIONAL  
HISTORY DAY®

Every 8<sup>th</sup> grader at Bryant is participating in History Fair, a competition where students research in depth an historical topic of interest to them.
