POETRY OUTLOUD COMPETITION

Congratulations to our three winners of SLCSE's Poetry OutLoud competition, Olivia Slaughter, Nathan Flores and Myra Benedict. Olivia Slaughter will be representing SLCSE with her two poems Passing by Toi Derricotte and They are Hostile Nations by Margaret Atwood.

PROM

Hello Wonderful SLCSE Parents!

We are now accepting donations for prom. Our Prom Committee works to create a prom that all high school students have access to attend. To do that and have a beautiful and formal event, we need additional funding. It would be greatly appreciated if you would be willing to donate towards prom. You can make a tax-deductible

donation in the front office. We will also have a donation box on the front counter for any loose change you might want to contribute.

The Prom Committee will be fundraising after school on January 30, February 13, and February 28. They will be selling food items. Help us earn money for Prom by sending your student with cash on these days!

Thank you,

The Prom Committee

CLASSROOM EMERGENCY KITS

Student safety is a top priority at SLCSE. To help promote safety, items are being collected to create classroom emergency preparedness kits. In the current climate, being prepared for emergencies is very important, so my Eagle Scout project is to collect these items.

This month we are collecting Costco cases of water bottles.
