

STAFFORD MUNICIPAL SCHOOL DISTRICT

Year at a Glance

English II

Course Description: Students in the course will continue to read, write, speak, listen, think, and collaborate. Greater emphasis will be placed on close reading, composition, and analysis of multiple genres. Students will be expected to confer and present information based on purpose, audience, and topic. Expect to do work outside of class such as reading self-selected texts and research. Instruction and student expectations are driven by the English II Texas Essential Knowledge and Skills.
