HEADLINE NEWS: WARRIORS READ!

Our Warriors Read! program invites all students — regardless of grade level or course — to select a text that best matches their reading preferences and reading levels to enjoy over the summer. This is optional unless your teacher or program has asked you to participate!

There is no assigned book, no written assignment, and no project. Just read a book that interests you. (Please note that some LA classes have required summer reading assignments. Students who are entering a class with required summer reading are welcome to participate in this program too!)

If students already have a book they want to read, that's great! If not, we have curated a list of suggested titles by asking CHS staff members for book recommendations. Those suggestions as well as information about how to access books over the summer is located on our [Summer Reading Website](#).

BOY AND GIRL GOLFERS WANTED

Off-season training and spring/summer golf tournaments are a great way to improve on your game while getting to hang out with your teammates (which makes everything more fun). Plus, you'll also meet a lot of great golfers from across the state and make new friends that you'll end up playing with for years to come." - Coach Elliott

We have some fun activities for you this summer like a B off-season weight training from Coach Elliott, and a Summer Golf League from Coach Ricardo, and free JGAC memberships (space is limited).

Take a look at [chsbg.relacx.com website](https://chsbg.relacx.com) for details and to sign up.

PS - the info is in the boys website, but boy and girl CHS students are welcome to join.

Getting to know your Centaurus Team: CHRISTINE FERGUSON

Each week we will introduce a member of the Centaurus staff and teachers to our parent and student community. This week, we'd like to introduce **Christine Ferguson**.

My name is Christine Ferguson, I teach Algebra 1 & Pre Calculus. I have been at Centaurus for 4 years. I moved to Colorado with my husband after college and secured my first teaching job here in BVSD in 1998. I have worked for BVSD on and off since then. I had two lovely children who will be in 9th and 11 grade here at Centaurus next year. My family loves to travel. We have a small camper van that has taken us to 31 states. We have been to 5 countries as well. We love to travel and be outdoors.
