THE 2014-15 FESLER-LAMPERT PERFORMING ARTS SERIES

The Fesler-Lampert Performing Arts Endowment Fund was established in 1985 by Elizabeth P. and David R. Fesler (Shattuck School Class of 1946). Through performances, artist residencies and workshops, the series presents an exciting array of cultural enrichment experiences for students, faculty and the community of Faribault.

*“This activity is funded, in part, by the Minnesota State Arts Board through the arts and cultural heritage fund as appropriated by the Minnesota State Legislature with money from the Legacy Amendment vote of the people of Minnesota on November 4, 2008.”

Founded in 1858, the same year that Minnesota became a state, Shattuck-St. Mary's is rich in tradition and pioneering spirit. Built on a lush 250-acre campus on the bluffs of the Straight River in Faribault, our collegiate stone buildings are listed in the National Register of Historic Places. A coeducational, college preparatory boarding and day school for students in grades 6-12, Shattuck-St. Mary's is home to 443 students from 39 states and 31 countries during the 2013-2014 school year. Our diverse student body benefits from our small class sizes, rigorous academics, and numerous opportunities for excellence in athletics, academics and the arts.
