Address Concerns

Time between classes- Discussion around students not having enough time between classes. There would be some pros and cons to increasing time between classes. We need to gather more information from students next school year through a survey.

Parent Compact

We looked at the different components parents contributed. Committee provided additional feedback. A draft will be sent out after teachers have had the opportunity to provide input.

Emergency Preparation Check In

There has been some good progress in the emergency preparedness project. We have all of gloves. Other items/donations have come in. The flyer still needs to be posted on social media, included in the newsletter, and emailed out to parents. The flyer also needs to go out to students.

Future Items

SCC would like advance notice of teacher appreciation week (two months prior) so that more parents can be involved.

Thank you
