

Class of 2021

2020-2021
Cupertino High School
Senior Awards

Dear Seniors, Families, Friends, and Educators:

I am delighted to welcome you to this alternative version of the Cupertino High School Senior Awards. While this format is not our typical in-person ceremony, we are still looking forward to celebrating the accomplishments of our seniors as we have done at Cupertino High School for more than 60 years.

Senior Awards is a chance to celebrate some of the many accomplishments and milestones our seniors have achieved over the last four years, as well as recognize the grand plans they have for the future. As individuals and as a class, this hard work deserves to be recognized and celebrated, despite the obstacles posed by the past year.

So read on Pioneers and enjoy a welcome message from your principal Kami Tomberlain (use the QR code below), and take time to recognize the accomplishments, awards, and scholarships earned by the members of the class of 2021. It is your intelligence, perseverance, and dedication that will guide our future and work towards making this world a better place.

Congratulations to you, the Senior Class of 2021!

Sincerely,

Kimberlee Morgan
Interim Assistant Principal
