1. You cannot change what you refuse to confront.
2. Sometimes good things fall apart so better things can fall together.
3. Too many people buy things they don't need with money they don't have to impress people they don't know.
4. No matter how many mistakes you make or how slow you progress, you are still way ahead of everyone who isn't trying.
5. Making one person smile can change the world – maybe not the whole world, but their world.
6. Saying someone is ugly doesn't make you any prettier.
7. The only normal people you know are the ones you don't know very well.
8. Life is 10% of what happens to you and 90% of how you react to it.
9. The most painful thing is losing yourself in the process of loving someone too much and forgetting that you are special too.
10. It's better to be alone than to be in bad company.
11. As we grow up, we realize it becomes less important to have more friends and more important to have real ones.
12. Making a hundred friends is not a miracle. The miracle is to make a single friend who will stand by your side even when hundreds are against you.
13. Giving up doesn't always mean you're weak, sometimes it means you are strong enough and [smart enough to let go](#) and move on.
14. If you really want to do something, you'll find a way. If you don't, you'll find an excuse.
15. Never do something permanently foolish just because you are temporarily upset.
16. You can learn great things from your mistakes when you aren't busy denying them.
17. In life, if you don't risk anything, you risk everything.
