Mynderse Academy participated in a number of interscholastic sports during the 1965-66 school year and posted a variety of records – some winning, some not. Without a doubt, Coach Meyers' wrestling squad was at the top of the most successful list. In addition to winning the Wayne-Finger Lakes Championship with a perfect 7-0 record, the wrestlers also took first place in the annual Tournament Championships. This was the first time Mynderse posted such a completely successful season.
