                    COACH DAVIS

1. Win the Championship

2. Defeat Clyde

3. Team Unity

4. Defeat every team by at least 2 touchdowns

5. Be the best football player you can

6. At least two men on the Wayne-Finger Lakes All-Star Team

8. At least one MA football player playing college football

Known as the "Big Blue Machine," the team embodied the value of teamwork and was the epitome of achievement. The team will carry the memory of their excellence with satisfaction and pride for a lifetime and should be remembered as victors in one of MA's most successful championships.

Coach George Davis, following his last year at Mynderse with an undefeated football team, wrote the note to his players on the previous page. The items above are a list of goals for the team prior to the beginning of that memorable season. History tells us, they achieved practically all of their goals.
