

Kennewick School District #17
SUMMER CAMP ATHLETE/STUDENT EXPECTATIONS FORM

We are pleased that your daughter or son has decided to attend an overnight summer camp. We believe that by bringing together the students in our school in a summer camp environment, we can make huge progress in preparation for our next school year. During the summer camp, we count on the students to behave in a mature and responsible manner and to remember that they are representing their school and community at all times. Because we wish to ensure the safety of your student as well as other participants, we have developed the following behavioral expectations that we would like you to review with your student-athlete.

All overnight summer camp attendees are expected to:

1. **Fill out all KSD clearance forms for camp.**
2. Attend all summer camp activities at the designated times and places. Students who cannot commit to the entire camp may not attend, unless prior arrangements are made with the Athletic Director, Coach, and/or Principal. For the duration of the summer camp, students cannot deviate from the stated schedule. Students may not accompany anyone else with alternate plans during the overnight summer camp.
3. Always display the appropriate mode of attire and behavior that is representative of any student and/or athlete. Students may dress casually, but appropriately, when not competing in the summer camp activities. Students wearing controversial clothing will be asked to change. No clothing with ads for alcohol, tobacco, drugs, or with profanity, sexual pictures, or inference to these items is allowed. Students will refrain from the use of electronic devices, including cell phones and hand-held games during any meeting, workshop or general session.
4. Respect the rights and safety of others. Students exhibiting irresponsible behavior that endangers the health, safety, or welfare of themselves, or any student engaging in inappropriate conduct as determined by the Kennewick School District and the Camp Coordinators, will be sent home immediately at his or her own expense.
5. Inform an adult if a problem arises. The safety and well being of all students attending this summer overnight camp is of the utmost importance. For this reason, if at any time during the camp an incident occurs that makes the student feel threatened or intimidated, he or she should tell their coach/advisor or any camp adult staff member.
6. Be courteous to the host school. As guests at the camp, students should observe any reasonable requests or rules made by the hosts. All students must remain in assigned quarters for the duration of the overnight camp. Once a student reaches the time of evening bed-check, they are expected to stay in their rooms.
7. Stay only in their assigned rooms and take care of that room. Students must notify their coach/advisor if they are having serious difficulties in a room. If necessary, another room will be assigned. Students should keep their rooms clean and neat during the camp. Students are responsible for any damage to the room during their stay there.
8. Understand that the use, sale, or possession of tobacco, alcohol, or illegal drugs as well as the possession of any type of weapon is strictly prohibited. Any student found possessing or under the influence of any illegal drug or alcohol, or possessing a weapon will be expelled from the camp, turned over to their coach/advisor and sent home immediately at his/her expense. The student's school principal and parents will be notified of the infraction. Participants should also be aware that they are subject to federal, state and local laws, and may be prosecuted by the appropriate authorities for alcohol or drug related offenses.
9. Stay in a safe, supervised environment. Unsupervised students may not leave the summer camp at any time.
10. Respect the property of others. Students are not to take objects from the summer camp areas or any property visited. Please leave the locations we will be using cleaner than when you arrived. Students must take great care not to do any damage to the facilities that they use during summer camp.

OVER – Signature Required On Back

11. Campers must travel to and from camp in KSD provided transportation unless prior arrangements are made with the Athletic Director and Coach/Advisor. Campers may not transport themselves to camp. Campers may travel with a parent, or travel with a parent of another camper with their parent's, coach's, advisor's, and/or Athletic Director's prior permission and appropriate paperwork. There shall be NO driving of any motor vehicle (including motorcycles and mopeds) by student campers during the camp. Summer overnight camp athletes may not ride in a motor vehicle being operated by a student.

Participant Anti-Hazing Agreement

The Kennewick School District (KSD) recognizes that membership in co-curricular student organizations can significantly enhance the learning and growth experiences of students. In accordance with state and federal laws, the KSD adamantly prohibits any form of hazing by any student extra-curricular or co-curricular organizations. All new member orientation, initiation activities, and other group activities are expected to refrain from hazing in any form. Further, these activities should support the attainment of all purposes stated in the goals and objectives of the KSD.

No student activity, student team, individual student, volunteer, or employee shall conduct nor condone hazing activities. Hazing activities are defined as:

"...any action taken or situation created, intentionally, whether on or off KSD property, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol or other drugs; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips, or any such activities carried on outside or inside of the confines of the KSD; wearing of public apparel that is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities that are not consistent with academic achievement and/or the regulations and policies of the KSD, or applicable state and/or federal law(s)."

Any individual or organization suspected of authorizing or tolerating the occurrence of a hazing incident will be subject to an investigation by either the Kennewick School District or law enforcement officials. The investigation may be followed by formal charges or a formal disciplinary hearing in accordance with the student or employee conduct due process procedures outlined in the Kennewick School District policies and procedures and/or contracts. The express or implied consent of participants or victims will not be a defense.

All student organizations that are a part of the KSD must agree to the rules and policies of the KSD. The acceptance of this agreement will allow the organization to exist and represent their school and district.

I have been informed of and will comply with the KSD Anti-Hazing Policy.

Your signatures below indicate that you have read and discussed the above guidelines on both pages with your student and are in agreement with these expectations.
