LUSD Summer Reading Log

Fill out this reading log to earn free frozen yogurt from Yogurt Creations (June-August). A minimum of 10 books will be read for a 16 oz yogurt, and 15+ books can be read for a 32 oz yogurt. Chapter books can be quite longer than an average children's book so every 50 pages for elementary school and every 100 pages for secondary schools can count as a book in those cases.
