

PE Competency Credit Requirements

Part 1:

- A written test is required with a 70% or higher passing rate.
- The test is one of several versions that will be given electronically on a district issued chromebook.
- Tests are held at local high schools and dates throughout the school year.

Part 2:

- There are two physical options for the PE competency credit.
- One option is to participate in a school sanctioned sport.
- The other option is to complete the physical fitness test at the same time the written test is completed.
