**MEDICATION AT SCHOOL RULES**

- Prescription medications must be in the original labeled container from the pharmacy.
- Over-the-counter medication must be in the original container.
- Any changes to this medication will require a new medication form completed by both parent and health care provider.
- Under normal circumstances prescribed oral, nasal spray, topical, eye drop or ear drop medication and over-the-counter oral, nasal spray, topical, eye drop or ear drop medication should be dispensed before and/or after school hours under supervision of the parent / guardian.
- Medications will only be dispensed at school when failure to receive the medication may result in the student being unable to attend school or to be well enough to participate in learning activities.
- If a student must receive prescribed or over-the-counter medication during school hours, the parent must submit a Medication at School form completed and signed by both the parent and a licensed health care provider.
- Only the amount of medication needed during school hours for the course of the illness/condition is to be sent to school, not to exceed a one month's supply.
- Medications that must be given in half-pill doses must be cut by the pharmacy or the parent. The school will not cut pills.
- Parent or designated adult to bring medication to school (students should not transport medication to school).
- When the duration of a medication is complete or out of date, or at the end of the school year, the parent must pick up any unused portions of the medication. Unclaimed medications will be discarded.
- Bus drivers will not transport or administer medication.
- In case of necessity, the school district may discontinue administration of the medication with proper advance notice.

**Authorization for Mutual Exchange of Confidential Information**

***Purpose:** As a parent, guardian or student, you have the right to give permission or not give permission for the release of your child's records with other persons or agencies. This request provides you with the opportunity to approve or not approve such a request unless release of records is allowed under one of the exceptions under the rules implementing the Family Education Right and Privacy Act. FERPA, (for example, transfer of records from one school district to another).*
