We highly recommend purchasing netball shoes for the girls, as the typical sports shoes do not cater the range of motion that is required during a rigorous game. A netball shoe allows the foot to sit on a lower platform. This helps to maximise comfort and cushioning on the sides of your feet for a greater range of movement and flexibility but above all, it reduces the risk of rolling an ankle. **Please note - senior girls are required to have one pair of trainers as a compulsory item of sportswear.**
