

St Peter's Primary School
Headship Team Newsletter
May 2021

Dear Parents, Staff & Children,

The last half term seems to have flown by with lots of fantastic learning going on.

In addition to our usual school activities, Year 1 have had their Fairy-Tale Dress Up Day and Year 2 have had their Tea Party. Year 6 also managed to squeeze in a wonderful 'end of Year 6' trip to Chessington - it was cold, wet and windy...and we had a great time!

We have had another furniture delivery from Business2schools. Business2schools are a company who donate furniture and tech, that businesses no longer need, to state schools across the UK - thank you so very much to them!

As ever, we would like to take the opportunity to thank everyone in the school community - pupils, parents, Folio, SPSA and our Governors - for making St Peter's such a special place. We feel a special mention should go once again to all our SPPS staff who have worked so hard - thank you all so much and enjoy the half term break!! We are so lucky to have you and really appreciate all your hard work and commitment.

Reminders:

- School reopens, after half term, on Monday 7th June - please be reminded that the classroom doors close at 8.55am each day.
- School will be closed on Friday 18th June and Monday 21st June - both are INSET days.
- Sports Days will take place at school for our Reception classes on June 23rd and at Whitgift Sports Club for years 1 - 6 on June 30th. We will send out more information nearer the time.
- Friday 9th July is our Fun Day for the children; this will be held in normal school hours. **Many thanks to the SPSA who have funded this event.** We will send out details nearer the time

Parent Forums:

- We will be holding a parent forum to explain the Relationships, Sex and Health Education curriculum. This will be led by Zoe Barkham-Manlow, the local authority Improvement Officer, Health and Wellbeing. The meeting will take place on Tuesday 8 June 2021 at 6pm and will be held remotely.

Please do continue to keep yourselves safe by ensuring social distancing on our school site. We have been made aware of positive cases in local schools that have then led to classes (and a school) being closed and children having to isolate for 10 days. Due to current restrictions parents are still unable to enter the school buildings. Please remember to email absence@spps.foliotrust.uk if your child or anybody in your household is showing COVID-19 symptoms. You should book a test straight away (not a lateral flow test), self isolate whilst waiting for test results and please DO NOT send your child or siblings into school.

We very much hope that the Government roadmap regarding the pandemic continues to be positive. Here at St Peter's we will continue to be cautious to ensure the safety of all of our whole school community.

Have a lovely half term break and enjoy the sunshine and fine weather that is forecast.

Best Wishes

Caroline Barriball and Samantha Sandle

Co-Headteachers
