## **DAYCARE PROVIDER VERIFICATION FOR K-5 TRANSFER STUDENTS**

The Kennewick School District Board Policy # 3132 states that "Students are assigned to attendance area schools in according to Board-adopted geographic boundaries."

However, when a student has a daycare provider whose address is out of the student's attendance area, a transfer request may be made for the student to attend the school served by that daycare provider's address **provided the student attends the daycare daily and/or a majority of the school week.** Completion of this verification form is an annual requirement.

Applications for transfer will be accepted starting November 1 for the following school year.

If you reside <u>within</u> the Kennewick School District, complete the in-district transfer request. Please keep your student enrolled in his/her current school until you receive notification of approval of transfer. If you reside <u>outside</u> of the Kennewick School District, you will need to submit a transfer request using the online Choice Transfer Request Portal available at <u>https://eds.ospi.k12.wa.us/choicetransferrequest</u>. A is required annually.
