Mask Mandate:

The Governor and the Texas Education Agency will lift the mandatory mask requirement for schools after Friday, June 4th. Our revised policy will be that the use of face coverings is strongly recommended but is optional in accordance with Executive Order GA-36 as issued by the Governor of Texas. This policy will go into effect on Friday, June 4th and will be revised as needed on Friday, July 2nd. While in the future masks will not be required on campuses in accordance with the latest state mandate, out of an abundance of caution for the safety of students, staff and their families, we continue to encourage their use.

AAPI (Asian Americans & Pacific Islander) Heritage Month Spotlights: Mr. Saldanha!

Mr. Saldanha – 10th grade AP World History teacher

- I am a proud Indian-American!
- My parents immigrated from India to the U.S., and I was born in Houston afterward
- My favorite part about being Indian-American is being able to experience the culture (including food, traditions, and people) of three cultures:

- 1) Texan/American culture (example: barbecue)
- 2) Indian culture (example: chicken tikka curry)
- 3) Indian-American culture, which draws from the other two but is distinct in its own way (ex: Aziz Ansari, the actor)

Mandato de máscara:

El Gobernador y la Agencia de Educación de Texas levantarán el requisito obligatorio de máscara para las escuelas después del viernes 4 de junio. Nuestra política revisada será que el uso de coberturas faciales es fuertemente recomendado, pero es opcional de acuerdo con la Orden Ejecutiva GA-36 emitida por el Gobernador de Texas. Esta política entrará en vigor el viernes 4 de junio y se revisará según sea necesario el viernes 2 de julio. Si bien en el futuro no se requerirán máscaras en los campus de acuerdo con el último mandato estatal, por una abundancia de precaución para la seguridad de los estudiantes, el personal y sus familias, seguimos fomentando su uso.
