Awards and Scholarships**

Policy 5410

AWARDS AND SCHOLARSHIPS

The Board of Education encourages the professional staff to maintain a set of criteria and procedures for presenting suitable awards to students for scholarship and distinguished service in any school activity. In all cases, the relationship between the award and the relevant goal or goals of the school should be pointed out. These awards shall serve as an incentive to enrichment of the school program and a stimulation to the students' level of thinking and living.
