SERIES 1000: COMMUNITY/BOARD RELATION
POLICY 1225 C19

Changes in this policy related to the COVID 19 pandemic are highlighted in yellow. These provisions will expire on June 30, 2021 unless action is taken by the Board of Education to extend them.

VISITORS

The Board of Education encourages visits by citizens, taxpayers, and parents to all school buildings. In order to promote a safe and productive educational environment for all students and staff, the Board of Education requires all visitors to receive prior approval from the school Principal or his/her designee before being permitted to visit any school building. The Board of Education, through the administration, reserves the right to limit visits in accordance with administrative regulations.

Upon arrival, all visitors must comply with any and all applicable building security procedures, including but not limited to utilizing security buzzers for access, complying with requests for photo identification, reporting directly to and signing in and out at the visitors' reception area of the school office, prominently displaying visitors' badges or other identification required for visitors to the school buildings, limiting access to those areas of the buildings and grounds for which the visitors have authorized access, and complying with directives of school officials at all times. All visitors and observers permitted into school buildings or on school grounds must comply with all school health and safety protocols in place at the time, including any health screening protocols. Due to the COVID-19 pandemic, the Board may limit or restrict visitors based on the guidance of federal, state, and local health authorities.
