**BOARD-SUPERINTENDENT RELATIONS**

1. The establishment and evaluation of policies is the function of the Board and the execution of policies is the responsibility of the Superintendent of Schools. Delegation by the Board of its executive powers to the Superintendent provides freedom for the Superintendent to manage the schools within the Board's policies and frees the Board to devote its time to policy making and appraisal functions.
2. The Board holds the Superintendent responsible for carrying out its policies within established guidelines and for keeping the Board informed about the operations of the school system. In his or her efforts to keep the Board informed, the Superintendent will notify Board members as promptly as possible of any happenings of an emergency nature or of public concern which occur in the schools.
