2. Create a health or other hazard to the student's safety or to the safety of others.

The principal, in connection with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity if the principal reasonably believes that the student's dress or grooming does the following:

A good general policy regarding the dress code is: If there is ANY QUESTION about an item being inappropriate, DO NOT WEAR IT.

If the student's dress or grooming is objectionable under these provisions, the principal/designee shall request the student to make appropriate corrections. If the student refuses, the principal/designee shall notify the parent/guardian and request assistance in guiding the student to make the necessary correction. If both the student and parent/guardian refuse, the principal/designee shall take appropriate corrective action. Students may be suspended, if circumstances so warrant, and students who violate provisions of the dress code relating to extracurricular activities may be removed or excluded from the extracurricular activity for such period as the principal/designee may determine. All students shall be accorded due process safe-guards before any corrective action may be taken.
