

STUDENTSStudent Driving

Students possessing a valid State of Washington driver's license shall be permitted to drive to and from school subject to such reasonable regulations or guidelines as may be established by the school district.

Students driving cars to school shall register them at the high school office. Students must park their cars in student lots and cars must remain in student lots while student is at school, either in the classroom or on the athletic field. Failure to comply with the above rules shall result in disciplinary action.

Adopted: September 8, 1993
