

## **NON-INSTRUCTIONAL OPERATIONS**

### Excess Seat Space

It is the intent of the Kennewick School District to provide the best possible transportation service to students in our community. If a parent of a student(s) who lives within the “walk zone” requests that their student(s) ride the bus, the transportation department will determine if there is available seating. If there is available seating, the “walk zone” student(s) may ride the bus. Should that available seating go away due to the need to accommodate more students who live in the “bussing” zone, parents of the previously approved “walk zone” student(s) will be notified that their student(s) will no longer be able to ride the bus.
