

DWIGHT SCHOOL SEOUL SUMMER ACADEMY

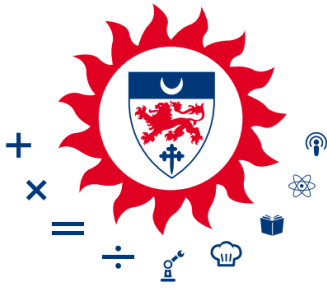

Summer is for Trying.

We are very excited to invite you to register for the Dwight School Seoul Summer Academy 2021, for students in Grade 9, 10, and 11. This session will run from June 28th to July 9th. Our team of experienced educators has worked hard to prepare a program that is educational, engaging, and fun! This year's program will include;

Film Club: Although we often see books turned into box office hits and Hollywood Movies, how about we see a film turned into a graphic novel for once! This exciting program will study the storyline, issues, characters, main ideas, and scenes of a film and consider how it can be adapted and created into each student's own graphic novel!

Rock Band: Get ready to Rock and Roll. In this program, you will pick and learn a song to practice and perform with your fellow band members. You will be able to choose the instrument you would like to play in the band, and your proficiency level does not matter. Everybody is welcome to **Rock!**

Chemistry PREP - THE POWER OF CHEMISTRY: This course introduces a variety of practical- and problem-solving skills that will be applied to the amazing world of chemistry. This program will introduce the topics of energetics, kinetics and equilibrium, and acids and bases. Students will learn formulas, strategies, and skills that will assist them in meeting the demands of these units. Additionally, students will receive instruction on how and when to appropriately use the periodic table.
