

DWIGHT SCHOOL SEOUL SUMMER ACADEMY

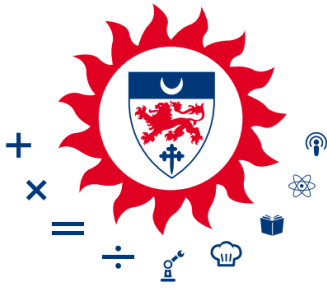

Summer is for Trying.

We are very excited to invite you to register for the Dwight School Seoul Summer Academy 2021, for students in Grade 1, 2, and 3. This session will run from June 28th to July 9th. Our team of experienced educators has worked hard to prepare a program that is student-driven, inquiry-based, and most importantly, loads of fun! This year's program will include the following;

Korean C.A.M.P (cooking, art, music, performance): Playful, colourful, tasty, and totally hands-on, the C.A.M.P program is designed for students in grades 1, 2, and 3 to develop their Korean skills through creative thought, imagination, self-expression, and art. Children will learn valuable 'real world' Korean skills, through fun and cooperative activities. This exciting and creative program will inspire learners to experiment with and expand their Korean language. Exploring the world through their five senses creates the perfect opportunity for students to learn everyday Korean through our C.A.M.P!

GAME ON!: A fun and exciting opportunity for students to create their own board games! Creating board games involves students in researching, reading, creative thinking, logical thinking, and experimenting. Playing games is not only fun, it's a great educational tool that offers opportunities for student learning. Board games are an easy way to encourage healthy brain development. Students will use strategy, creativity, and their imaginations while designing their own games! Let's get together with friends to design, create, play, and have fun!

Music and Movement: Let's have fun dancing, singing, and making music together. During this course, we will learn to read basic rhythm notes and play them with percussion instruments. Movement is a must where we will explore ostinatos either composed by you or together, with a scarf, parachute, or ribbon dances. We will also practice our singing skills with learning solfege notes. Come and join in the fun with Music and Movement!
